

RSE-SRS Yaletex Entertainment round slings with steel rope inserts

BG-certified according to DGUV 17 (former BGV C1) according to EN 1492-2, EN 13414-1/A1 and EN 13414-3 appendix A

- Steel rope with loose polyester cover
- With black single sleeve, PU-starched and thermally fixed
- Identification label sewn into a transparent protective cover
- Control window for checking the rope core
- Minimum edge radius 6 mm
- Proven heat resistance from -40 °C up to +150 °C
- The steel cable insert eliminates the requirement of DGUV 17 for a secondary safety device
